

The 7th Joint Senate and House Education Committee Listening Session will be held in Savannah on November 19, 2013 in the auditorium at Savannah Tech, which is located at 5717 White Bluff Road, Savannah, Ga. We are following the same format as our previous session:

The House co-host for this meeting is Representative Ron Stephens! We are very grateful for his help.

3:00 – 4:00 p.m.	Meet with area school superintendents
4:00 – 5:00 p.m.	Meet with area school board members
<u>5:30 – 7:30 p.m.</u>	Listening Session

Please help us spread the word! This is not just an Education Committee meeting. Chairman Coleman would like all of the local Representatives to attend and hear from your Superintendents, Board of Education members, and constituents.
